

2018 Aspenhof Board of Trustees Election

Know your candidates...

Mark Bremehr (#34)

As a property owner since 2003, I would welcome the opportunity to serve on the Aspenhof board again. As many of you know, I spend a great deal of time at Aspenhof, and am vested in keeping our little community as great as it is. I have enjoyed both the friendships and the natural beauty that Aspenhof encompasses. Thanks in advance for your consideration.

Pam Graeler (#82)

Our 25 year dream of owning an a-frame cabin came true September 2017 with our purchase at Aspenhof. My husband, Don and I are recent empty-nesters and have enjoyed most of our weekends hiking, swimming, and enjoying the beauty of Aspenhof. The Aspenhof community is a gift, which we treasure. I look forward, as a representative of the homeowners, to help keep the original vision of Aspenhof strong.

Matt Hashley (#49)

My Wife, Katie and I bought in August of 2016. During my time at Aspenhof our family has enjoyed utilizing our cabin as a nice peaceful getaway. We enjoy being at the cabin because it is our time to hang out as a family unit, without the distractions of electronics, tv, etc. We enjoy the ability to slow down, bond and create new memories with our 3 children, Charlotte (9), Ben (7), and Audrey (4).

Professionally, I own an insurance agency representing Farmers Insurance. During my 12 years as an insurance agent, I had heard of Aspenhof from a few of my customers and had gotten the description “you know it’s a A Frame cabin in the woods, like Innsbrook but better”. It wasn’t until our friends the Kohrings bought in Aspenhof did I fully understand and appreciate what the hype was all about. In my career I have been chosen by and asked to serve on several boards within Farmers Corporate Executive counsels. I have participated on one of these boards for the last 7 years holding several positions, Treasurer (2) and Secretary (5) and on another board as an executive advisor.

If given the opportunity to serve on the board, I look forward to helping our community preserve the history and beauty in which we all have fallen in love with, while keeping an unbiased opinion toward improving and bettering our community as it grows.

Beth Langwith (#6)

My name is Beth Langwith. My husband Scott and I purchased “Our Neck of the Woods’ (#6) August of 2017. We fell in love with Aspenhof as soon as we came through the gate, envisioning the adventures our little boys could have and quality time we could have as a family. Imagine our surprise when discovering we had a built in Lake Family by way of an old friend from years ago!

My goal is to foster the Lake Family Vibe by scheduling family friendly events throughout the year to bring us all together as a community. This place has become so special to our family already. We love the natural beauty of Aspenhof and want to help maintain that for generations to come.

2018 Aspenhof Board of Trustees Ballot

There are three open positions on the Board. Please vote for up to three candidates. One vote per cabin, please. Ballots can be turned in at the owner's meeting on September 2, 2018 or mailed to the address below so that they are received prior to August 31, 2018.
