

Memorial Day Announcer Supplement

Let's meet on Sunday, May 29 from 8:00 am till 10:00 am, at the Big Lake and fish together. Everyone is welcome at the derby, with kids 11 and under accompanied by an adult. Bring your own fishing pole, tackle boxes and bait. In addition to fishing, the morning will feature snacks and prize drawings.

We are always looking for corporate donations to the goodie bags, like sample size sunscreen, bug repellent, snacks, drinks, prizes etc. If you have anything, please try to hook up with me before Sunday. I will be out all weekend. Suzanne Bremehr, #33 bremehrs@sbcglobal.net 314-960-5046 See you there!

If you have not been to your cabin lately, be aware that Highway 47 is closed on the east side of Marthasville. You will be detoured through a marked route in Marthasville. The Tuque Creek Bridge is being replaced. The projected is scheduled to be completed July 31, 2011.

A reminder, which is the same ole' song: **Please obey the posted speed limit of 15 MPH in Aspenhof for safety reasons and it helps retain the rock on the road.**

ASPENHOF ALUMINUM RECYCLING PROGRAM

As my senior project for Webster Groves High School, I propose to create a **ALUMINUM** recycling program for the 3 major weekends this summer at Aspenhof.

May 27th -30th • July 1st - 4th • September 2nd - 5th

I will provide containers at the beach and dumpster. I will maintain them thru the weekends. I will also offer cabin pick up on a PRE-ARRANGED basis.

Please contact me at pbremehr94@gmail.com or call at 314-960-1622 to arrange cabin pick-up. I will drive around the morning of the 30th, 4th and 5th to collect. Cut-off for cabin pick-up will be 12:00 noon.

Proceeds from the aluminum will be split between: Dubourg House, a senior assisted living facility in South St. Louis and Tenth Life, a local stray cat rescue organization.
