

2012-2013 Hangtags

All tags for each cabin are distributed in one envelope which and may be picked up by any owner listed for that cabin. This spring we will again have four ways for the owners to get their "Yellow" hangtags. They are listed, here in order of preference:

1. **Come to the spring meeting. March 13 at Tillman Elementary School, 7:00pm.** There will be many important topics at this year's meeting. The new hangtags will be available before the meeting.
2. **Tags may be picked up every Saturday in May.** We will have the tags at the beach (or maintenance shed) depending on the weather from **9:00am - 11:00am**. If you are not the owner of record, you will need a signed letter from the owner to get the tags.
3. **Call me.** (Mark Bremehr) If you can't make any of the above times, I'll try to set up a time and place to meet you. I live in Webster Groves and am at Aspenhof quite a bit. I can be reached at 314-960-5092.
4. **By Mail, via the procedure below.** This is the least preferred method for distributing tags because of the uncertainty involved and the lack of contact with each owner. However, because of some owners' unique circumstances, the Board has decided to make this available. I will mail tags, if you are willing to accept the liability for them. Remember that they are \$100 each to replace. If they are lost or don't arrive for any reason, you will have to replace them. If this is acceptable to you, here's how it will work:
 - a. Fill out and sign the request form below.
 - b. Send me a Self-Addressed Stamped Envelope (SASE). You will need two first class stamps. I will ONLY mail tags to the address that I have in the database.
 - c. I will put your tags in your SASE and mail them to you.

Although the Board has strongly apposed mailing tags in the past, I understand that some owners have circumstances that prevent picking up tags any other way. I hope that this will be rare and that owners will consider picking up the tags as a preferred method. I cannot mail tags to those who have not paid their assessment.
